

THANK

≡ *You* ≡

Dear Jan,

The balloons have deflated, The cake has been eaten. The Birthday Parade is just a memory.

Thanks to you we have been able to share our wonderful memory through your video. Ray had watched it almost every day and his

friends and relatives love seeing
and sharing his moment.

Han, it was just perfect! Your
work was amazing and so very
much appreciated. Thank you
for that wonderful contribution to
Ray's celebration.
