Here is the information on the Prescott Rodeo Days Parade:

- Arizona SubVets entry is #78.
- Our **Staging Area is #8**.
- We will stage on Virginia Street facing toward Willis Street.
- The parade starts promptly at 0900 hours.

There are almost 150 entries so that puts us at about the half-way point in the parade. Included with this message is a diagram for the staging plan. Ed Brooks (Gudgeon Base) will get there early (in the little blue VW convertible) to stake out our spot.

If you are coming in from Prescott Valley or other points East, take Sheldon Street toward the city center and hook a left on Virginia Street I will have our Entry Number visible.
