Awards Banquet is Not Far Off

=====

Shipmates, we have just three weeks before our annual Awards Banquet on January 28. This banquet has all the makings of being our best one ever. Don't forget that the deadline for getting in your checks (for \$18 per person) is by the Base meeting on January 14. Send checks to our membership chairman, Rick Simmons, but make sure they are made out to "Perch Base" and not made out to Rick.

See you at the Base meeting and the Awards Banquet.
