Subject: Laveen Parade

The Laveen Annual Parade is this Saturday, Feb. 1. The starting line for the parade is 43rd Avenue and Dobbins Road. The parade will run westbound on Dobbins to 51st Avenue.

Howard is towing and I will bring my Tahoe so we should have about eight extra seats just between our two vehicles. As in the past, if you ride with us, we'll double back to get to your car. Look for side-of-the-road parking near the starting point.

We need to be lined up and ready to go by 10:30 a.m.
