### **COME TO OUR PARTY!**

Dear Shipmates & Friends,

Approximately 2/3 of you have not joined us and purchased a Memorial Paver for installation at the **Arizona Silent Service Memorial**. This is very disappointing when you consider back in 2014 when we took a vote and elected to move forward with the **ASSM** project. At that time, 100% of you who were enthusiastic and very much in favor of it.

I can only think of two reasons why any Perch Base Member would not participate. First, either you don't really support our USSVI creed in perpetuating the memory of our fallen shipmates, or, possibly it's an affordability issue. I certainly hope you support our purpose and the USSVI creed that you hear read at every one of our meetings.

If it is a financial hardship issue, we don't want any Perch Base member to miss out on the opportunity to have your personal Memorial Paver installed at the **ASSM** site in Wesley Bolin Memorial Plaza. We have shipmates who are willing to provide financial assistance where needed so you can have your Memorial Paver. Simply contact me and I will make the necessary arrangements. This will be held in the strictest of confidentiality. Let's complete this project together shipmates.

Sincerely,

*Tim Moore*, Chairman
