Hello Shipmates,

Our landing date got moved out a week to 8/27. A flash traffic will be sent once we know the time.

Progress at the Memorial site continues and we appreciated the assistance in placing our lost boat CMU blocks. The next window where we need people on site is the entire week of the 31st as the pavers will be installed at that time. If you can provide some on site time, please reach out to Marcus Hensley at:

[marcus.d.hensley@gmail.com](mailto:marcus.d.hensley@gmail.com) or 619-208-8986.

As with the CMU blocks a drawing will be provided to follow and I remain confident that Submariners can get the job done.

Best Regards,

Marcus Hensley
