**From Marcus Hensley:**

Hello Shipmates,

Yesterday was a great day in the progress of the ASSM. We have had to slow down a bit in other areas and the pavers will not be placed early next week. All concrete will be poured on Wednesday and the pavers will likely be laid starting on Tuesday September 8th after labor day. Will advise more next week.

We will not need any volunteers on site next week however will for the following week. Once we have a confirmed schedule, we will be sure to let everyone know. Thank you so much for all the great support so far in getting our Memorial built. If you were not able to make it out yesterday, please visit the ASSM website and Perch Base Website to check out the pictures. Also, we have stories and videos posted by Fox 10 and AZ Family 3 on their websites.

Best Regards,

Marcus Hensley
