The Western Region Roundup Committee has worked hard to put together a great event and we really hope to see you there. We are excited to announce a presentation by a staff member of the Ronald Reagan Library talking about Submarine operations against the Soviets during the Reagan Presidency. You can see our complete POD on our website.

We are still in need of Bases and individuals to help by sponsoring the event. All sponsors will be featured on the website, on a banner and a handout at the event. You can find all the information you need on our Sponsorship page.

As always, the goal of the Roundup is to provide a way for all Submariners to gather for their mutual benefit and enjoyment.

The members of the Western Region Roundup Committee wish you all a Happy New Year and looks forward to seeing you aboard the Queen Mary.
